

# LOVE MR MOO'S ICE-CREAM

Our artisan ice-cream is made here on the farm using locally sourced milk and cream. We remain true to our original concept of producing a top-quality ice-cream using no artificial colouring. We produce over 30 flavours of ice-cream so we are sure you'll find one that you love! Of course we produce classic favourites, such as vanilla, but there are also some more unusual flavours to tempt your tastebuds. Whilst we can only scoop from 18 flavours at a time, we have plenty more available in our take home range.
